Dear Dr. Stephen Hawking,  
Greetings from I-SERVE  
(Institute of Scientific Research on Vedas, Hyderabad, India  
<http://www.serveveda.org>)

We thank you profoundly for your scholarly observations dated November 10, 2011 on the works of Dr. Sivarambabu, who is an Organising Secretary of this institute. Your observations are herewith attached for your ready reference.)

We are also attaching a recent and more subject specific article from the same author titled "The World Beyond Fermions" (Vedic Model) for your kind comments and observations. With your kind remarks the author can improve his cosmological theory, if needed. This paper was presented in the 2nd International Conference on Advanced Materials (AM 2013) at Jaingsu University, Jaingsu, China. Subsequently, it is also published in Avagadro Journal of chemistry 1(2) (2013), 7-12. [www.academicjournals.com](http://www.academicjournals.com) during September 2013.)

With thanks & high regards  
K.V.Krishna Murty  
Chairman, I-SERVE
